### Kids summer camps in Belgium

BELvue museum

The BELvue museum (run by the King Baudoin Foundation) is organising this summer a 4-day summer camp for children aged 9 to 12 with the goal of raising their interests in democracy, history and culture. This will be achieved by fun, creative and interactive workshops.

The flemish camp will take place from 6 to 9 July, the french camp from 24 to 28 august.

For more information, check the museums website:
